DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on 12-8-03 has been entered.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 16-49 are rejected under 35 U.S.C. 102(e) as being anticipated by Fortenberry et al. (US 6101485).

Fortenberry et al disclose a machine based method comprising sending outbound messages associated with commercial transactions ; storing information related to each of the outbound messages in a database, the information being useful for completing the commercial transactions, the information not being contained in the outbound messages, analyzing inbound

messages that result from the outbound messages and that contain response information useful in completing the commercial transactions; identifying inbound messages that cannot be processed automatically to generated the commercial transactions. and using the database information to assist in exception handling of the identified inbound messages, the inbound and outbound messages being entirely email based (see abstract).

Allowable Subject Matter

Claims 1-, 4-15 are allowed for the reasons set forth in the prior office action.
